

Highlights from the Governance Team Meeting November 5, 2007

Project and Budget Status Report

S. MacNabb and D. Negroptes presented the Project & Budget Status Report. There was a motion to accept the Project & Budget Status report. The motion was carried.

Executive Director's Report

D. Negroptes and Brian Cooper will be making a presentation to the School of Agriculture, Business & Technology.

Program Development

Renewable Energy Project – A presentation was made by Nina Gales of the Town on the municipal sustainability project in collaboration with the Olds Institute. The question arose as to how to align the CLC and work on a focus for sustainability. The suggestion was to consider having a CLC advisor on this initiative. The REP is preparing for this year's Applied Research Seminar.

J. Gibbons and M. Doherty will prepare a presentation to the Governance Team on the programs that are being offered by both the U of A and the U of C. Currently, the CESD is working with the U of C to offer a rural accessible Master's of Teaching training program.

Business Development

D. Negroptes passed out a copy of the Q & A's around fund development that are posted on the website. Kiwanis is having a Radio-thon for the Theatre Seat Campaign on November 14, 2007. The Campaign Caucus will be touring the CLC and Olds College on Friday, November 9.
